1) A sum of Rs 2940 was due by the Arakal Taluk Board on account of the primary education contribution (arrears) from the year 1932-33 to 37-38. In G O no 2712-4 dated 18 7 40, it was directed that the said amount be discharged in six annual instalments with interest at 4% commencing from the year 1940-41

2) The above amount has increased to Rs 3929 on account of the demand for 38-39 and out of this a sum of Rs 929 has been paid leaving arrears to the extent of Rs 3000/-

3) The Arakal Taluk Board have requested that the entire arrears of Rs 3000/ may be waived The Director has taken steps in the matter The contribution has been abolished from the present year, with the introduction of the Special Education Cess of two annas in the rupee

4) It may be stated in this connection that the above amounts due from the year 1932-33 Sufficient concession was given to the Board to pay up the arrears by a definite number of instalments The Board has not taken advantage of this concession No provision was made in the annual Budget for 40-41 by the Board to pay the instalments The Collection was on this year as bad as usual So the Budget estimate for 41-42, the amount of arrears

Rate to be collected - is Rs 5847/-

The arrears in question are due to the Govt and they cannot be waived. It would also create an inconvenient precedent if they are so waived. Hence the Dte should maybe informed that they are unable to favour by remitting the arrears & that the Mcd may be asked to apply for a loan equal to the amt now outstanding against it on this behalf & credit it to Govt. The loan may be made repayable in five or six years, carrying interest at 4½%. If this course is suggested, as Finance, the Mcd will not make provision for it in the budget & even if provision is made, it will not recover the amount to Govt.

Sir,

Subject. Adjustment of Primary Education Contribution arrears by Anekal Town Municipality. -

Adverting to G.O. No. L.712-M L.66-39-49 dated 18-7-40 according sanction to the payment of the above arrears of contribution amounting to Rs.2,940/- due by the Anekal Town Municipality from the year 32-33 to 37-38 in 6 annual instalments with interest at 4½ per cent per annum from 1940-41, I have the honour to state that necessary instructions had been issued to the Amildar President of of Municipality in the matter. Provision had also been made in the budgets of the Municipality to meet this expenditure. By the time the above G.O. was received the contribution for the year 1938-39 also fell due. The total amount due including the current demand for 39-40 was Rs.3,920/- as detailed in the margin.

Instalments from the years 1932-33 to 37-38 @Rs.490/- per annum	Rs.2,940/-
Instalment for the years 1938-39 and 39-40 @Rs.490/- per year	Rs. 980/-
---	Rs.3,920/-

The payment of Primary Education Contribution has been abolished from the year 1941-42 with the introduction of Special Education Cess at 2 annas per rupee sanctioned in G O No R.1358-71 Edn.195-40-2 dated 16-10-1941. This has been brought into force and the realisations are being credited to the Primary Education Department. Out of the arrears of contribution which amounted to Rs.3,920/- as

P T O

detailed above, a sum of Rs.920/- has been paid by the Municipa ty the balance of Rs.3,000/- remains to be adjusted.

The Municipal Council requested that on account of their slender resources and also of the fact that Special ~~Educ~~ Education Cess collected is being credited to Government the old arrears amounting to Rs.3,000/- might be remitted. But this request was turned down by this office on ground that the Municipal Council could not go back upon their previous resolution dated 30-6-39 wherein they had agreed to pay the arrears in annual instalments. The Municipal Council have again resolved at their meeting held on 16-7-1942 that the matter may be reconsidered in view of their unsatisfactory finance.

The arrears were ordered to be paid in 6 annual instalments from 40-41 with interest at 4½ per cent. The amount due for the years 1940-41 and 1941-42 on this basis will be Rs.1,512/- as detailed in the margin. Against THIS Demand up to the end of 41-42, the Municipality have paid only Rs.920/- leaving a balance of Rs.592/- (excluding the current demand of Rs.490/- for 42-43). There yet remains 4 annual instalments of Rs.490/- to be cleared with interest. No provision had been made in the budgets for the year 1940-41 and 41-42 for the payment of the arrears. The amounts due could not be adjusted for want of sufficient funds. In these circumstances, I request that definite orders of Government may kindly be obtained on the resolution of the Municipal Council requesting the waiving of the entire arrears as mentioned above The connected records accompany.

1940-41	
1st instalment of arrears	Rs. 490/-
Current Demand	490/-
Interest	22/-
	Rs.1,002/-
1941-42	
2nd instalment with interest	512/-
Total	Rs.1,514/-
(No current Demand for 41-42 as the contribution is abolished)	

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Bangalore District
